DETAILED ACTION

Allowable Subject Matter

1. Claims 8-10, and 12-20 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With respect to independent claim 8, the prior art reference either alone or in combination fail to disclose, teach or suggest an apparatus comprising: a retaining bracket with an arced upper section defining a weldable area of between about five square inches and about forty square inches, first and second downwardly extending generally parallel walls adjoining the arced upper section, each wall terminating at a pair of intersecting edges; and a flared area between the pair of intersecting edges. These structure in combination with other structures as recited in claim 8 define over prior art of record.

With respect to independent claim 9, the prior art reference either alone or in combination fail to disclose, teach or suggest an apparatus comprising: a retaining bracket with an arced upper section defining a weldable area of between about five square inches and about forty square inches, first and second downwardly extending generally parallel walls adjoining the arced upper section, each wall terminating at a pair of intersecting edges; a longitudinal member of the vehicle frame having a lower surface with an arched shape corresponding to the arced upper section. These structure in combination with other structures as recited in claim 9 define over prior art of record.

With respect to independent claim 12, the prior art reference either alone or in combination fail to disclose, teach or suggest an apparatus comprising: a retaining
